

Conexus digital banking platform

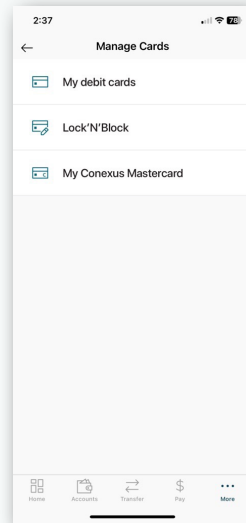

Mastercard linking

Mobile instructions

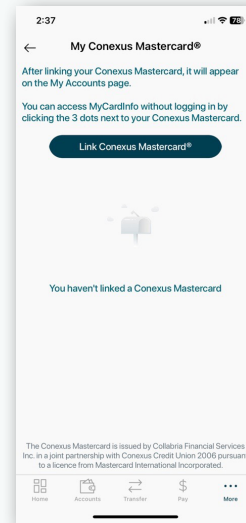

With Conexus Mastercard linking, you can now add your credit card to your personal account using the Conexus Mobile App, giving you a comprehensive view of your financial journey. Now, managing your finances is easier than ever.

Have questions? We have answers!

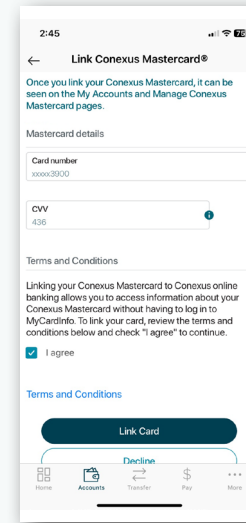

How to add your Conexus Mastercard

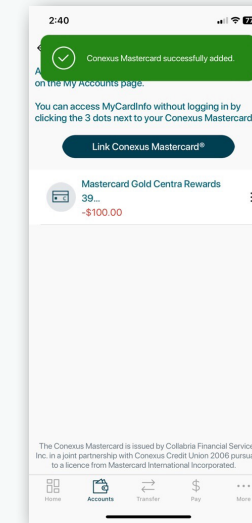

1. On the bottom right hand side, select More (the three dots). Select My Conexus and then Manage cards

2. Select My Conexus Mastercard, then Link Conexus Mastercard

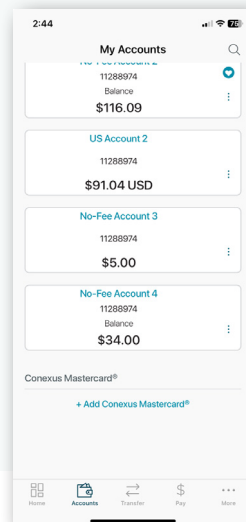

3. Enter your card number and CVV (on the back of your card)

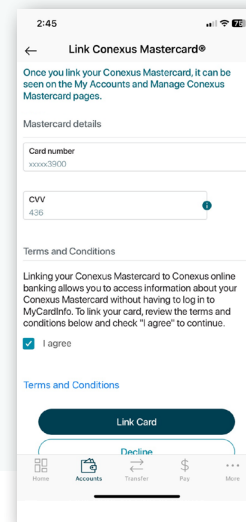

4. If there's nothing preventing the card from being added, you'll receive a success message

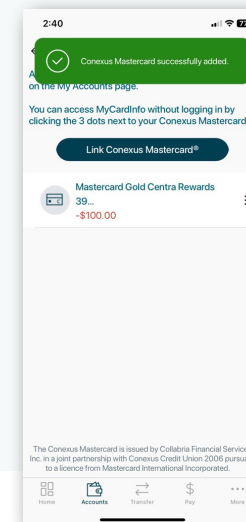

Add your Conexus Mastercard from the My Accounts page

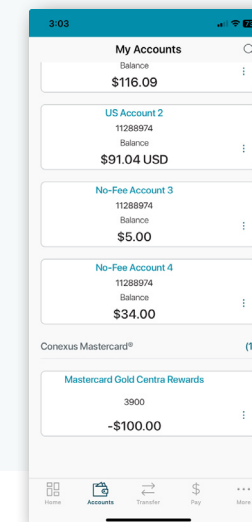

1. Select + Add Conexus Mastercard at the bottom of the page under Conexus Mastercard

2. Enter your card number and CVV (on the back of your card)

3. If there's nothing preventing the card from being added, you'll receive a success message

4. Navigate back to the My Accounts page to see your linked card
