

YOU'RE INVITED

The Federal Tax Reform Announcement: What Does it Mean for You and Your Business?

On July 18, 2017, the Honourable Bill Morneau, Minister of Finance, released a paper for consultation, along with draft legislation and explanatory notes intended to “close loopholes and deal with tax planning strategies that involved the use of private corporations.” These are sweeping changes that could have a significant impact.

Join our webinar for insights on:

1. How the new income sprinkling rules impact tax planning
2. The impacts of holding passive investments inside a private corporation
3. Rules surrounding converting income into capital gains
