- Your relationship with the Third Party providing the Third Party Services is independent and separate from your relationship with us and is outside of our control. Any dispute that relates to the Third Party Services is strictly between you and the Third Party, and you agree to raise no defence or claim against us.

- (c) Exclusion of Liabilities. Regardless of anything else in this Agreement, under no circumstance will we be liable for any indirect, consequential, special, aggravated, punitive or exemplary damages whatsoever (including any loss of profits, opportunity, reputation, revenue, goodwill or any other economic or commercial loss whatsoever), or for any loss of data or information, that is caused to you, regardless of the cause of action, even if we have been advised of the possibility of such damages.
- (d) Indemnity. Except for claims, costs and liabilities arising from direct damages that you incur or suffer as a result of one or more activities specifically set out in Section 10(a) above, you will release and indemnify us for any claim, cost and liability we may incur

11. Different Levels of Access

- We may provide different levels of access to Business Online for different categories of Business Users. A Business User's ability to access the Account and use Business Online will be limited by the level of access that we provide to him or her. It is the responsibility of the Business to ensure that the level of access we provide to a particular Business User is appropriate for that person.
- By designating a person as a Signing Officer, the Business is authorizing that person to view information about the Business and to carry out online Transactions on behalf of the Business. In addition, Signing Officers are authorized to appoint Delegates on behalf of the Business.
- If the Business requires more than one Signing Officer to authorize a Transaction then we may allow one Signing Officer to initiate a Transaction; however, the other Signing Officer(s) will generally be required by us to approve the Transaction. Nonetheless, the Credit Union may (in its sole discretion) choose to receive or rely on instructions from any single Signing Officer on behalf of the Business even if two or more signatures are otherwise required to operate the Account (e.g., to sign cheques, etc.).
- By designating a person as a Delegate or Non-Signer, the Business is authorizing that person to access and view information about the Business and the Account.
- Delegates and Non-Signers do not have the right to carry out online Transactions on behalf of the Business. Any Transactions that are started by an Initiator Delegate or a Non-Signer must be authorized by a Signing Officer (or Signing Officers if dual authorization is required) before being completed.
- We are not responsible for determining the adequacy of the authority of any Business User and we are entitled to rely on any instruction provided to us by a Business User which is within the scope of their designated authority as set out above. It is the Business's responsibility to verify the identity of each Signing Officer or Delegate at the time of his or her appointment and to provide that information to us when requested.

12. Collection, Use and Disclosure of Personal Information

The Business will ensure that each Business User consents to the collection, use and disclosure of his or her personal information as required in order for us: (i) to verify his or her identity; (ii) to manage our relationship with you; (iii) to provide financial services and products to the Business, including to carry out actions and Transactions as the Business User may instruct; and (iv) to comply with legal and regulatory requirements, all in accordance with this Agreement and the Conexus Privacy Code and Privacy Online policy. Additional information about how we may collect, use, and disclose personal information in connection with the Online Banking services we make available to you is contained in this Agreement, the Terms and Conditions for Financial Services, and in the Conexus Privacy Code and Privacy Online policy (located at: <https://www.conexus.ca/Personal/PrivacySecurity/>).

13. Passwords and Electronic Device Security

The Business will ensure that each Business User follows the duties in Sections 2 and 3 of Part 1 of this Agreement, including the duty to carefully choose a Password, the duty to keep Passwords secret, and the duty to change Passwords and notify us if the Business User suspects that someone else knows a Password. In addition, the Business will ensure that each Electronic Device that a Business User uses to access Business Online on behalf of the Business has an up-to-date anti-virus program, anti- spyware program and a firewall, where such security measures are available for the Electronic Device.

14. Unauthorized Use/Entry Errors

- The Business accepts responsibility for all liability that may arise as a result of: (i) a Business User authorizing a Transaction on behalf of the Business, whether with or without the Business' specific authorization in any particular instance; or (ii) a Business User making entry errors.
- The Business also accepts responsibility for all liability that may arise from any unauthorized use, including a Business User misusing his or her authority in any way, either purportedly on the Business' behalf or for personal or other purposes.

15. Indemnity by Business

The Business agrees to indemnify and save us harmless from and against all liability that may arise (other than due to our own gross negligence or misconduct), including legal fees and disbursements reasonably incurred by us, arising from a breach by the Business or a Business User of any part of this Agreement, or from our acting or declining to act upon any instruction or information given to us in accordance with this Agreement. This indemnity is in addition to any other indemnity or assurance against loss that the Business may provide to us and will survive any termination of this Agreement.

16. Remote Business Pro™ Service

- Conexus makes the Remote Business Pro Service available to businesses as part of Business Online. The Remote Business Pro Service allows businesses to deposit cheques from the convenience of their own office using a scanner and cheque capture software. The cheque images and deposit information are then securely transferred to Conexus for processing. Effective electronic delivery of a cheque image to Conexus will have the same effect as a physical delivery of the original paper cheque to Conexus for deposit to the Customer's account.
- In order to access and use the Remote Business Pro Service, the Business must execute and comply with a separate Remote Business Pro Access Agreement. Conexus will provide the Business with a copy of the Remote Business Pro Access Agreement upon request.

17. Bill Payments made Through Online Banking

You acknowledge and agree that:

- bill payments made through the Services are not processed immediately and that the time period for processing depends on a number of factors, including, without limitation, the time when the bill payment is authorized and the internal accounting processes of the bill payment recipient;
- it is your responsibility to ensure that bill payments are authorized in sufficient time for the payment to be received by the bill payment recipient before its due date;
- we and our service providers will not be liable for any cost, expense, loss, damage, or inconvenience of any nature or kind whatsoever arising as a result of any error, non-payment or a delay in the processing of bill payments;
- if you have made or received a bill payment in error, we may, but are not obliged to, assist you by initiating or processing a "Bill Payment Error Correction Debit", as defined under the regulations, by-laws, rules, and standards established by the Canadian Payments Association, and if so initiated, you agree to indemnify us for any direct loss, costs, or damages incurred, and will pay to us any reasonable service charges or fees related to the provision of the service; and
- if we initiate or process a Bill Payment Error Correction Debit affecting your Account or affairs, and if we did so without gross negligence or intent to cause loss or harm, we shall be held harmless for any and all loss, costs, or damages suffered or incurred by you, howsoever caused, relating to the bill payment or Bill Payment Error Correction Debit process.

18. Wire Transfers

- We may, as part of the Services, in our discretion, accept your instructions for the wire transfer of funds. We may rely, without verification, on the name and account number of the recipient of your wire transfer as provided by you. Your wire transfer instructions are irrevocable once processed by us. You will pay all fees and costs charged or incurred by us and other financial institutions involved in the wire transfer.
- Your wire transfer may be affected by cut off times, differing time zones, and other restrictions. If you provide incomplete or incorrect information, your wire transfer may not be processed, or may be processed incorrectly. There is no guaranteed time or date of delivery of your wire transfer. Your wire transfer may be subject to government interception. The recipient of your wire transfer may be charged additional fees by other financial institutions. If your wire transfer is returned, it may be subject to exchange rate fluctuations and to additional costs charged or incurred by us and other financial institutions.
- All wire transfers are subject to anti-money laundering ("AML") requirements and these requirements may change if there are adjustments made to applicable laws. AML rules for a domestic wire (transfer funds to another account in a Canadian financial institution) are different from AML rules for an international wire (transfer funds to another account in a financial institution outside of Canada).

19. Stopping payment of a cheque

We may, in connection with the Services, permit you to make a request to stop a cheque payment or a range of cheque payments from clearing (the "**Stop Cheque Service**"). If we, or any Third Party, through the Services, make the Stop Cheque Service available, and you use the Stop Cheque Service, you acknowledge and agree that:

- a "stop cheque" is an instruction by you to us to refuse payment if that cheque, or range of cheques, is presented to us for payment. Cancelling a stop cheque negates a stop cheque instruction;
- the Stop Cheque Service is applied on a best effort basis, and we may be unable to successfully stop a cheque if all details are not correctly entered by you;
- if any other Transactions go through your Account during this time frame, they will continue to be processed in accordance with this Agreement;
- timing will affect your Account balance while the stop cheque transactions are processing;
- you acknowledge that we cannot stop payment of a cheque which has cleared the Account or has been negotiated at a Conexus branch and a cheque can only be stopped if all information required by the on-screen prompts is provided;
- we may accept your instruction to stop payment on a cheque without determining whether the cheque has been honoured on presentment;
- you agree that we are not liable for any cost, expense, loss, damage or inconvenience of any nature or kind whatsoever arising from us complying or failing to comply with a stop cheque or cancelation of a stop cheque; and
- a stop cheque will not be processed if there are not sufficient funds in the Account for the Stop Payment Service charge.

20. Statements

We may, in connection with the Services, permit you to decide what kind of statement you want for each Account – paper or eStatement. An eStatement is a digital version of a regular paper statement. Instead of receiving a paper statement, you receive a digital statement for your eligible Accounts when available. Only one of these options can be active at a time (i.e., you cannot receive both paper and eStatements for an Account).

21. Availability

You agree that the Services will be available only on an "as is" and "as available" basis and we disclaim any warranties and conditions (including any oral, implied or statutory warranties and conditions) regarding the nature, quality or character of the Services.

22. Changes to this Agreement

Other than as required by law, we can change this Agreement by giving you notice of the change. We can give the notice either before or after the change takes effect.

23. Notice

Notice of changes will be posted on our website.

24. Intellectual Property and Use of Application Software

- We (or our service providers) are the owner of all intellectual property rights subsisting on each website page in Online Banking and Mobile Banking. Nothing in this Agreement is to be interpreted as conferring a right to use our works, trademarks or logos (or those of our service providers) except as expressly contemplated in the legal terms and conditions governing the use of our website (located at: <https://www.conexus.ca/Personal/Legal/>).
- The following terms apply if you download an Application that we make available to you: (a) we grant to you a limited, non-exclusive, revocable and non-transferable license to install and use the Application on authorized Electronic Devices; (b) we (or, if applicable our service-providers) retain all intellectual property and ownership rights in the Application; (c) you agree not to copy the Application and not to disclose or distribute the Application to any Third Party; (d) you accept the Application "as is" and you assume the entire risk for the performance of the Application; and (e) we will not be liable to you for any loss or damages that you suffer or incur from your use of the Application.
- We are not responsible for any third-party equipment or software that may be required to use the Services. Any such equipment or software is subject to the terms and conditions of any agreements you may enter into with the provider of the equipment or software (such as a software agreement you enter into when you download and/or install the software).

25. Suspension of Services and Termination of Agreement

You agree we can terminate (either all or part of) this Agreement or suspend or terminate your access to any of the Services immediately for any reason whatsoever at any time without prior notice. You may terminate this Agreement by giving us notice of termination. To notify us you must call the Member Contact Centre at 1-800-667-7477 or contact your local branch. Our records of notification will be deemed to be correct.

26. Disputes

If you have any dispute with us regarding a Transaction, you agree to contact the branch for the Account involved or the Member Contact Centre at 1-800-667-7477. If the matter remains unresolved, you agree to follow our complaint handling process. Full details of our complaint handling process are available at all branches and on our website.

27. Severability

If any part of this Agreement turns out to be invalid for any reason, the rest of the Agreement will still remain in full force and effect. In this case, this Agreement will be read as if the invalid part were not included in it.

28. No Waiver

We may require strict adherence to the terms and conditions of this Agreement despite any prior indulgence that we have granted or acquiesced to. If we waive any breach or default of this Agreement by you it will not be deemed a waiver of any other preceding or subsequent breach or default.

29. Governing Law

This Agreement will be governed by the laws of Saskatchewan and the laws of Canada applicable in Saskatchewan, excluding any principles of the conflicts of laws that would apply a different body of law. You agree that the courts of Saskatchewan will have exclusive jurisdiction with respect to any matters arising from or related to this Agreement, including any disputes relating to your use of the Services.
